RE: Guardianship of Martha E. Ham

Dear Mr. Tonner:

This letter is to advise you that Ms. Hamilton will not be bringing Martha E. Ham to court on March 1, 2002 because she feels that this is detrimental to her health and that your constant contact with Ms. Ham has caused her grave emotional upset.

This letter is to also advise you that I find it extremely strange that you continue to assert your employment by a person who has been deemed by the Court in which you are appearing to be incompetent. However, I am sure that you have some explanation.

I also am advising you that because of your involvement in this case that in all likelihood you will become a witness. Of course, if you are a witness, you can no longer be a participant as an attorney.

Sincerely yours,

A handwritten signature in black ink that reads "Michael Riley". The signature is written in a cursive style and is positioned above the typed name.
