RE: State v. Hamilton
Cause No. 37C01-0210-FC-507

Dear Ms. Hamilton:

This letter is responsive to the voicemail message you left for me on the afternoon of March 10, 2003 as well as to your husband's message on March 12, 2003. After I received his message, I contacted the Jasper County Prosecutor's Office and spoke with Michael D. O'Neill. I confirmed that his office received and reviewed my January 9, 2003 letter to Kathryn B. O'Neill (a copy of which I sent to you) which confirmed that National City Bank of Indiana did not initiate your prosecution, nor did it in any manner request that you be prosecuted. Mr. O'Neill advised me that his office had, in fact, received and reviewed my letter but informed me that it was the prosecutors' decision to initiate and pursue the case.

Sincerely,

J. Suzanne Bell
